New Deal Reforms

Complete the following activity in preparation for a writing activity on key reforms of the New Deal.

1. Identify the major purpose of each of the agencies created by the Act of Congress.
2. Categorize New Deal reforms according to common scheme by labeling each as Relief, Recovery, or Reform. In other words, did the measure bring immediate assistance to those in dire need to help restore the economy to health, or aim to prevent similar disastrous depression in the future.
3. Devise at least two additional schemes for categorizing the New Deal programs. Be prepared to justify your classifications.
